## **Capgemini Group named a Leader in Gartner's Magic Quadrant for Application Testing Services, Worldwide 2017**

**Paris, January 4, 2018 – Capgemini, today announced it has been positioned as a Leader for the fourth consecutive year in Gartner's "Magic Quadrant for Application Testing Services, Worldwide 2017." The Capgemini Group, including its Technology and Engineering Services subsidiary Sogeti, was evaluated based on the "ability to execute" and "completeness of vision."**

Hans van Waayenburg, Member of the Group Executive Committee at Capgemini and Head of Sogeti said: *"As a Leader in transforming Testing to the world of Agile and DevOps, Capgemini has been at the forefront of providing best-in-class, tailored QA and Testing services and this consecutive recognition by Gartner is a testament to our established expertise and commitment towards our clients globally. In the current wave of digital disruption, our clients trust Capgemini and Sogeti's combined capabilities and proven track record, along with a business acumen, to meet their complex organizational challenges and transformational needs."*

With an efficient team of now over 17,200 testing professionals and a further 14,500 application specialists around the world, Capgemini Group has a robust framework to provide specialized Testing services to its clients worldwide. Capgemini Group's industry recognized QA and Testing services such as <sup>1</sup>TMap® and TPI®, are equipped to support business transformation with a deep insight into latest market trends and specific customer requirements.

### **About Capgemini and Sogeti**

A global leader in consulting, technology services and digital transformation, Capgemini is at the forefront of innovation to address the entire breadth of clients' opportunities in the evolving world of cloud, digital and platforms. Building on its strong 50-year heritage and deep industry-specific expertise, Capgemini enables organizations to realize their business ambitions through an array of services from strategy to operations. Capgemini is driven by the conviction that the business value of technology comes from and through people. It is a multicultural company of 200,000 team members in over 40 countries. The Group reported 2016 global revenues of EUR 12.5 billion.
