Capgemini named a Leader in the 2020 Gartner Magic Quadrant for Data and Analytics Service Providers

Paris, March 06, 2020 – Capgemini today announced it has been named a Leader in Gartner's 2020 "Magic Quadrant for Data and Analytics Service Providers" for completeness of vision and ability to execute. The Gartner Magic Quadrant evaluated a total of 20 service providers for their data and analytics offerings and positioned Capgemini as a Leader for the fourth consecutive time.

"We are delighted to be named a Leader in Gartner's Magic Quadrant for Data and Analytics Service Providers for the fourth consecutive year. We are focused on creating and delivering innovative solutions with organizations across the world, and we believe this positioning validates our commitment," said Zhiwei Jiang, CEO of the Insights and Data Global Business Line at Capgemini. *"We will continue to leverage the power of data across all our offers to put data, insights, and artificial intelligence (AI) at the heart of our clients' success."*

Capgemini's Insights and Data team, consisting of around 23,000 professionals globally, engages its clients with relevant thought leadership and research, and brings innovation to its data and analytics delivery.
