## **Capgemini wins the Google Cloud Industry Solutions Partner of the Year award**

**Paris, July 21, 2021 – [Capgemini](#) today announced that it has received the 2020 Google Cloud Global Industry Solutions Partner of the Year award.**

Capgemini was recognized for its achievements in the Google Cloud ecosystem, helping joint clients in the financial services sector, notably in banking and insurance, to achieve their cloud transformation goals. Through its Google Cloud offerings, Capgemini enabled clients to reimagine legacy systems, manage risks, enhance customer experience and build business resilience and agility, helping to unlock the true potential of their digital transformation journey.

With a decade-long experience in delivering tailored Google Cloud solutions and deep-domain expertise, Capgemini has set up Google Cloud Centers of Excellence (CoE) to enable its clients to move to a cloud-native, digital business with Google.

*"Together with Google Cloud, we've enabled a number of leading banking and insurance players to adopt a cloud-first strategy. We're confident that our Global Partners acceleration along with dedicated Centers of Excellence will allow us to deliver more innovative and differentiated cloud transformation experiences and optimize costs by leveraging the power of data to drive business value. This recognition by Google Cloud further highlights our achievements in creating winning outcomes for our clients in 2020,"* said Anirban Bose, CEO of Capgemini's Financial Services and Group Executive Board Member.

*"We're excited to recognize Capgemini as our Global Industry Partner of the Year based on their proven success in helping global financial services organizations accelerate their digital transformation journey,"* said Kevin Ichhpurani, Corporate Vice President, Global Partner Ecosystem at Google Cloud. *"Capgemini brings deep industry and cloud transformation knowledge to this partnership along with strong technical and service capabilities. Additionally, Capgemini's close relationship with their clients speeds up and simplifies businesses' adoption of and success with Google Cloud and Google Workspace."*

### **About Capgemini**

Capgemini is a global leader in partnering with companies to transform and manage their business by harnessing the power of technology. The Group is guided everyday by its purpose of unleashing human energy through technology for an inclusive and sustainable future. It is a responsible and diverse organization of 270,000 team members in nearly 50 countries.
