Capgemini recognized as a 'Leader' in 2022 Gartner® Magic Quadrant™ for SAP S/4HANA® Application Services, Worldwide

Paris, July 18, 2022 – Capgemini today announced that it has been positioned as a 'Leader' in the 2022 Gartner Magic Quadrant for SAP S/4HANA Application Services, Worldwide. The report, which evaluated 20 service providers for SAP S/4HANA, recognized Capgemini for its completeness of vision and ability to execute.

Josean Mendez, Global SAP Partner Lead at Capgemini said, *"Meeting Environment, Social and Governance (ESG) goals is imperative for businesses today to drive long term value. We believe our Green Core with SAP solutions enables real-time dashboards across the value chain and empowers businesses to make data-backed decisions that are aligned to their sustainability goals. We are delighted to be recognized by Gartner for our application services around SAP S/4HANA, as we believe it further highlights our focus on helping clients in their net-zero journey and underscores our commitment to meet sustainability targets."*

According to Gartner*, "Leaders are performing well today, gaining traction and mind share in the market. They have a clear vision of market direction and are actively building competencies to sustain their leadership position in the market. Leaders have built a considerable track record with SAP S/4HANA and capabilities across multiple industries, geographies, deployment approaches or modules."*
