Capgemini Selected by Honeywell as BPO Provider for Finance and Accounting Processes

Paris and New York, 12 June, 2014 – [Capgemini](http://www.capgemini.com), one of the world's foremost providers of consulting, technology and outsourcing services, has been selected by Honeywell, a Fortune 100 diversified technology and manufacturing leader, as its finance transformation partner and delivery provider to handle selected finance processes.

Honeywell serves customers worldwide with aerospace products and services; control technologies; turbochargers; and performance materials. As part of the 5-year contract, Capgemini will deliver General Accounting and Procure-to-Pay services from its Center of Excellence for Business Process & Outsourcing (BPO) in Bangalore, India. Leveraging its Global Enterprise Model¹, Capgemini will work to streamline processes and improve the performance of end-to-end finance procedures.

"Capgemini's strategic approach to further enhancing our finance processes was instrumental in selecting them as our BPO partner," said John Koller, Vice President, Finance Operations, Honeywell. *"Honeywell serves a wide variety of industries through different business models, which creates some challenging finance support requirements. After a rigorous evaluation process, we determined Capgemini was best positioned to support Honeywell's business requirements and accelerate our finance transformation strategy."*

"I am proud to have Honeywell select Capgemini as its BPO provider and finance transformation partner of choice. Honeywell has an aggressive and innovative finance transformation plan, and we look forward to a successful relationship," said Christopher Stancombe, CEO of Capgemini BPO.
